

Group Billing and Terrace Information

No Deposit Required*

Unlike most facilities, Lagoon requires no deposit for companies in good credit standing. To reserve your picnic, simply call your Lagoon Representative and select a day. Reservations are taken on a first-come, first-served basis.

** Non-corporate sponsored events may be required to make a deposit.*

Group Single Day Passport Billing

Single Day Passports are billed according to usage. Lagoon will issue more than enough tickets so you don't need to know the exact attendance up front. You distribute or sell the tickets to participants. Lagoon will bill you only for the tickets redeemed on the day(s) of your event. Group rates listed on this site are for groups of 25 or more.

Payment

Credit cards may be used to pay your bill; however, some restrictions apply. Company checks and money orders are accepted in the Group Sales Office only. Lagoon Group Sales Office does not accept Personal Checks.

Catering Billing

Catering Requirements: A minimum of fifty (50) All-You-Can-Eat Meals for groups utilizing Pioneer Village Mining Town Pavilions must be guaranteed; or seventy-five (75) All-You-Can-Eat Meals for groups using all other areas must be guaranteed. Meal service will begin at the scheduled time, or labor must be charged per employee at the current charges per employee hour. All-You-Can-Eat Meals will be served for sixty (60) minutes. All group members are invited to pass through the All-You-Can-Eat lines as many times as they wish; a maximum of two (2) meat items per person per pass will be served.

The guaranteed number may be changed up until one week prior to the function. Lagoon will prepare for 10% above the guaranteed number of meals (up to 100 meals) for the All-You-Can-Eat Menu. If the tentative guarantee is not changed before one week prior to the function it will become the final guarantee. Billing is based on the final guarantee or the total attendance of the group for the day, whichever is greater. Final billing includes the Single Day Passports, the catered meals including any additional services if applicable, plus the appropriate taxes. All food items are subject to Utah State Sales Tax, and to an additional 1% State and County Restaurant Tax.

Terrace Reservation Guidelines

Lagoon Terraces are reserved on a first-come, first-served basis. Some terraces are available for reservation for the entire day for groups of seventy-five (75) or above. For catering purposes, some terraces are available for limited-hour reservations only. For additional information on terrace reservation times and availability, contact your Lagoon Sales Representative.
